

NOTICE

COLLECTION AND USE OF IDENTITY CARD NUMBERS

1. We refer to Clause 1.1 of the Consultant Booklet which governs your relationship with Nefful Singapore Holdings Pte. Ltd. (the “**Company**”). The said Clause provides that persons who wish to join the Company as a distributor are required to submit a copy of the application form indicating, amongst other information, his or her identity card number.
2. Please note that the Company is required under Section 65B(3) of the Income Tax Act to electronically submit the information on the commission paid to its distributors to the Inland Revenue Authority of Singapore (IRAS). In this connection, the IRAS has confirmed to the Company that it would be required to obtain the NRIC/FIN of its distributors in order to make such a submission.
3. Although the Advisory Guidelines on the Personal Data Protection Act for NRIC and Other National Identification Numbers (the “**Advisory Guidelines**”) purports to restrict the collection and use of NRIC data generally, it should be noted that the Advisory Guidelines specifically states that organisations may collect, use or disclose an individual’s NRIC number (or copy of NRIC) if it is required under the law to do so.
4. In light of the above, you are advised to co-operate in providing the Company with a copy of your identity card upon your application to become a distributor of the Company.
