

# Urgent Notice - Cancellation of Nefful International Anniversary Celebrations

Dear Partners,

Greetings from Nefful International.

The upcoming Anniversary Celebrations expect an attendance of thousands of partners and guests, which will involve extensive interactions during the Carnival and Award Recognition events.

Given the current health concerns and significant travel restrictions put in place due to the Covid-19 virus, the Company has placed public health as our top priority, hence decided to cancel the Anniversary Celebrations for all countries that were originally scheduled in March and April 2020 after gathering concerns and considering on the risk factors on the spread of the epidemic outbreak.

We believe being prudent at this critical time is a responsibility to everyone and seek your understanding in this matter.

Nefful International will continue to monitor the situation closely before assessing the possibilities of further progress on the event. We will keep you updated via our company websites.

❖ Nefful International reserves to rights to amend details of the event.

We hope that the spread of the outbreak will be under control soon.  
Wishing all good health.
