

REVISED COMPENSATION PLAN NOTICE

EFFECTIVE 1ST JANUARY 2021

Dear Partners,

The direct selling business must keep pace with the rapid changing environment and continue to thrive in the business. Nefful International is committed to take an innovative step forward amidst the competitive market by introducing a revised compensation plan which is aimed at establishing a robust and successful market network!

Upon receiving the relevant approvals from the respective authorities, Nefful International is now scheduled to introduce its revised compensation plan and product pricing effective **1st January 2021**.

Nefful International believes that these latest revisions will help our members to grow and expand their business efficiently and strategically and at the same time, encourage them to build stronger networks locally and globally. Nefful International is determined and committed to build a stronger brand and enterprise to provide our members with a wealthier and more prosperous future!
