

# 3D2N ULTIMATE SEACATION! CHALLENGE 2022

## - CHANGE IN ITINERARY UPDATES

Dear Partners,

Greetings from Nefful International.

Dream Cruises had officially announced to cease the operations of the World Dream vessel on 28 February 2022. The cessation of cruise operations has thus compelled the Company to change the original itinerary for the "3D2N Ultimate Seacation Challenge".

During this period, Nefful International will continue the challenge and shall implement another itinerary in replacement. The updates will be announced on a later date on Nefful Singapore official communication channels.

We seek your understanding and thank you for your support.
