

# NI POWER RECHARGE CAMP

Dear Partners,

To encourage continuous learning and sustainable business growth for a healthy and wonderful life, the Company places great importance on team collaboration, leadership cultivation, and professional skills training. Our goal is to explore further opportunities for development with our partners and expand our presence in the international world of business, creating more success together.

As part of this initiative, we are organizing the *NI Power Recharge Camp* in Bangkok, a city that blends diverse folk customs with modern fashion and art. We hope that this training program will offer you new and diverse professional leadership training content which you can continuously improve your professional leadership skills and gain the power to achieve new heights in your business ventures as you immerse in the different cultures during the trip.
