

# ELECTRONIC COPY OF ANNUAL COMMISSION STATEMENT

Dear Partners,

We are delighted to inform you that your annual commission statement will be accessible on the Member Portal starting from 1 March 2024. You can easily download the statement with the following steps:

1. Login to the Member Portal
2. Select “Commissions/Volume” tab
3. Select “Annual Commission Statement” and download the statement.

The screenshot shows the NEFFUL International Member Portal interface. At the top, there is a navigation bar with icons for Overview, Resources, NIShop, Orders, Organization, and Commissions/Volumes. The 'Commissions/Volumes' tab is highlighted with a red box and a circled '2'. Below the navigation bar, the page title is 'ANNUAL COMMISSION STATEMENT'. A table displays the following data:

Year	Total	Statement
2024	3141	Statement
2023	169552	Statement
2022	378585	Statement
2021	323024	Statement

Below the table, there is a dropdown menu for 'Commissions' with the following options: Annual Commission Statement, AGM Volume By Country, Pin Title Advancement Dates, and Downline Report (AGM). The 'Annual Commission Statement' option is highlighted with a red box and a circled '3'. The 'Country' dropdown is set to 'SINGAPORE'. At the bottom of the page, there is a small copyright notice: 'Version 3.10.672.816 REPTOOL.520 Nefful International © All Rights Reserved'.

The annual commission statement exclusively displays the commission and bonuses received within the year and does not encompass any additional income generated beyond the compensation plan. Consequently, if you meet any of the following conditions between 1 January 2023 and 31 December 2023, the company will send out a comprehensive annual commission statement via email to facilitate income tax declaration.

- Distributors who applied to convert from an individual account to a joint distributorship account;
- Distributors who transferred or received distributorship rights;
- Distributors who received incentivized programs, gifts, product vouchers and other similar rewards.

As part of this positive change, Nefful Singapore shall no longer issue printed statements. This improved initiative aims to provide enhanced confidentiality and flexibility to you while also aligning with environmental objectives by reducing paper consumption and minimizing our ecological footprint.
