TRI-ANNUAL GROWTH CHALLENGE 2025 Q2

'AWAKEN YOUR LEADERSHIP CHARISMA' SEMINAR

In today's fast-paced digital age, where social media prevails and impressions are formed in an instant, effort and persuasive words alone are often not enough to connect with others. While good products may attract attention, what truly inspires people is the passion and energy you radiate from within.

To empower our partners in this evolving landscape, Nefful International is pleased to invite renowned speaker Mr. Bang Zhi to present a brand-new seminar: **Awakening Your Leadership Charisma**. This seminar will provide an in-depth analysis of common blind spots and challenges in business management. Through role transformation, value reconstruction, and the cultivation of personal influence, Mr. Bang Zhi will guide partners in evolving from "salespeople" into "leaders who naturally inspire others to follow".

This goes beyond learning skills, it is a powerful turning point to awaken your potential, reshape your mindset, and grow into the version of yourself you have always envisioned. Leadership today is not driven by persuasive words alone, but by the trust you inspire and the influence you embody.

We warmly invite all achievers and partners to join us. Let us ignite the light within and become truly valuable partners of our teams.
