NOTICE ON THE DISCONTINUATION OF PHYSICAL MEMBERSHIP CARDS FOR NEW DISTRIBUTORS

Dear Partners,

In support of environmental sustainability and our commitment to corporate sustainability initiatives, Nefful International companies will gradually discontinue the issuance of physical membership cards for newly enrolled distributors, subject to the availability of existing card inventory. (This change does not currently apply to Malaysia due to local regulatory requirements, and physical membership cards will continue to be issued.)

This adjustment will only affect the issuance of physical membership cards for new distributors and will not affect distributorship status, distributor numbers, or any associated benefits and privileges.

New distributors may obtain their distributor numbers through the following channels:

In-Person Registration

The distributor number will be indicated on the distributorship application form. Upon completion of the registration process, a copy of the application form will be provided to the new distributor for future reference.

Online Registration

The distributor number will be communicated via email once the distributorship application has been reviewed and approved.
